

AN OCIO SOLUTION

OUTSOURCED CIO FOR HOSPITALS & HEALTHCARE SYSTEMS

An OCIO platform designed to help you meet your financial objectives

For more than 40 years, we have provided Outsourced Chief Investment Officer (OCIO) solutions to hospitals and healthcare systems. Our comprehensive and flexible OCIO platform is designed to help you manage your operating, insurance, retirement, and foundation asset pools efficiently and cost effectively.

You will have a co-fiduciary over your assets.

Our strategic advice and solutions will help you carry out fiduciary responsibilities, including:

- Governance and fiduciary framework and structure
- Post-merger investment program review and restructure
- Alignment of investment strategy with enterprise-wide financial plan
- Investment policy development and review
- Ability to customize rebalancing to strategically harvest investment gains

You will have the ability to customize your exposures.

Our open architecture platform will allow you access a wide array of investment strategies from highly researched third-party asset managers, including:

- A full range of active and passive traditional asset classes with daily liquidity
- Extensive capabilities in private markets, including equity, debt and real estate strategies
- Hedge funds access via a fund of funds or direct access via a managed account
- Other alternative strategies such as real estate and marketable real assets
- ESG integration as well as access to sustainable investing strategies
- Deep experience partnering with broad-based alternatives experts

Your assets will be expertly invested and managed.

Once you've set your strategic priorities, we will get to work implementing your investment solution. This will include:

- Manager selection, monitoring, and contracting
- Portfolio structure and construction
- Real-time risk management at the security level
- Portfolio management and rebalancing
